### Celebrating 12 Years of Excellence

This year, Epping Surgery Centre (ESC) celebrates 12 years of serving the community with high-quality ophthalmic surgical care. Epping Surgery Centre was established in May 2004 and over the last 12 years has catered to the surgical needs of 22,857 patients. This year we have continued to grow and provide greater standards of excellence in ophthalmic surgery.

### Presmed Optometry Conference

122 Optometrists attended and heard from 30 industry leading ophthalmologists on their very latest ophthalmic knowledge and surgical techniques. Aside from the unique educational aspect, the conference provided optometrists with opportunities to strengthen referral relationships and to network with colleagues, specialists and suppliers.

## 2016 General Practitioner Education Evening

Sixteen General Practitioners came together on July 28, 2016 to hear the latest developments in clinical ophthalmology and ENT surgery by our experienced surgeons. Epping Surgery Centre and **Chatswood Private Hospital** hosted this evening timed to coincide with the RANZCO Eye Foundation and JULEYE public health promotion in order to help GPs keep abreast of research and surgical improvements.
