### ESCRS Conference 2016

Roger Cronin, our Chief Executive Officer, recently heard the latest clinical research, knowledge and technology in Ophthalmology at the European Society of Cataract & Refractive Surgeons Conference (ESCRS) in Copenhagen.

Mr Cronin said, “This conference presents the latest clinical knowledge and research in Ophthalmology. Presmed Australia is committed to staying on top of the latest advances in Ophthalmology technologies for the benefit of our patients and I’m looking forward to integrating these new technologies into our group to further enhance the quality and safety of patient care and clinical outcomes”. ### Our Quality and Safety Performance

Epping Surgery Centre (ESC) is committed to ensuring high quality and safe care is provided to our patients and has built a strong culture of continuous quality improvement. In order to achieve this, ESC regularly collects and monitors patient experiences and clinical and quality outcome data and publishes the results which can be found via the **Patient Information** menu or by selecting one of the following key quality measures:

## Featured Ophthalmologist – Dr Neil Rowe

**Dr Rowe** graduated from the University of Sydney in 1992 and completed a Master of Public Health in 1998.

He is currently a Staff Specialist at The Children's Hospital Westmead, sub-specialising in paediatric eye problems.

He operates privately at Epping Surgery Centre. [Read more.](#)

## Become a Patient and Family Advisor

**Working Together to Help Improve Our Hospital.**

At Epping Surgery Centre, patient and family advisors give us feedback and ideas to help us improve the quality and safety of care we provide. Share your story, participate in discussion groups, review or help create educational and/or informational materials and work on short-term projects.
