ESCRS Conference 2017

LISBON2017
7-11 OCTOBER
XXXV CONGRESS of the ESCRS
FIL - Feira Internacional de Lisboa, Portugal
This Congress has been awarded 36 CME credits

Roger Cronin, our Chief Executive Officer, recently engaged with the latest clinical research, information and technology in Ophthalmology at the European Society of Cataract & Refractive Surgeons Conference (ESCRS) in Lisbon.

Mr Cronin said, "This conference presents the latest clinical knowledge and research in Ophthalmology. Presmed Australia is committed to upholding the latest advances in Ophthalmology technologies for the greater benefit of our patients and I'm looking forward to integrating these new technologies into our resources to further enhance the quality and safety of patient care and clinical outcomes". Community Consultation- The New Epping Surgery Site

In order to further refine and improve upon the plans for our new day surgery centre, Epping Surgery Centre engaged a Community Consultation expert to facilitate consultation. This positive engagement has resulted in revised plans submitted to Council ensuring that the Centre is in keeping with the local environs and amenity. [Read More](#)

ESC Microscope Trials: Zeiss and Leica

Zeiss Lumera 700 ceiling mounted Microscope

Leica Proveo 8 ceiling mounted Microscope

The Epping Surgery Centre is focused on further acquiring the latest technological advancements in all surgical cutting-edge procedures.

In advance of the establishment of our new centre and to assist surgeon decision-making, trials were conducted for two powerful microscope technologies available in the industry; the Leica and Zeiss microscopes. [Read More](#)

Successful Accreditation Outcome July 2017

ACHS Accreditation Success

Epping Surgery Centre achieved an outstanding accreditation result from the Australian Council on Healthcare Standards (ACHS).

"I'm pleased to advise that we achieved a fantastic result with our ACHS accreditation" says Roger Cronin, Chief Operating Officer. We have passed all of the National Standards and ACHS Accreditation requirements. The surveyors were impressed by the standards of clinical care and governance across the facilities. This is something to be very proud of" says Mr Cronin.

Accreditation has been awarded until July 2020.

Featured Doctors

Dr. Trent Sandercoe

Prior to starting medicine Dr Sandercoe completed a Bachelor of Medical Science with Honours at Sydney University in 1997. In the following years Dr Sandercoe embarked on a PhD looking at Retinal Vascular Development at Sydney University. He simultaneously completed this with his medical degree at the same university in 2005.

Dr Sandercoe started his prevocational training at Westmead Hospital in 2005 and completed his Ophthalmology Training at Sydney Eye Hospital in 2011 and was awarded FRANZCO after completing a General Ophthalmology Fellowship at Royal North Shore Hospital in 2012. [Read More](#)
