## Successful 2018 Presmed Optometrist Conference

Our Sydney facilities, [Chatswood Private Hospital](#), [Epping Surgery Centre](#) and [Madison Day Surgery](#), recently held an extremely successful Optometrist Conference on 8 April 2018. We had 116 Optometrists attend and 4 Sponsors/Exhibitors, 31 staff and 27 Presenters making a total of 178 attendees. We would like to thank all our sponsors; Alcon, Device Technologies, Bausch + Lomb and Johnson & Johnson as the conference was a huge success. [Read More](#)

## Optomonline CPD

Presentations from our recent Sydney Conference were videoed and are currently in the process of being edited and soon to be uploaded on our Optomonline website so that they are so that they are available as educational modules on our website.

Couldn't attend the Conference? Why not view OAA approved online educational videos? [Read More](#)

## Epping Surgery Centre New affiliation with The University of Sydney

An affiliate of

THE UNIVERSITY OF  
**SYDNEY**

Epping Surgery Centre has recently established a new affiliation with The University of Sydney, providing undergraduate medical, nursing and allied health professionals to undertake clinical placements in or dedicated ophthalmic facility of excellence.

## Epping Surgery Centre Relocation Update

Following Council and Community feedback, Epping Surgery Centres has re - lodged it's development application with Parramatta City Council. The revised plans provide greater set back and landscaping, lessening the bulk and scale and improving the amenity of the day surgery into the local neighbourhood. [Read More](#)

## Partnering with Consumers

Presmed Australia and Epping Surgery Centre have instituted a Consumer Engagement Committee which met at our Hornsby facility, Madison Day Surgery on 28 March 2018. The Committee provides a formal mechanism for patients, carers staff and doctors and management to support the partnership of care with our consumers and to improve the Safety and Quality of Care.
